Michael,

I sent you a message but misspelled your name, so I recalled the message, corrected your name and resent it. It appears you did not receive the corrected message?

We don't have any adjusters in any part of the Nevada area at this time. Are you planning on being in Northern California in the near future? We have an office in Northern California (Petaluma) and would be able to get an adjuster from there to meet with you. We also have an office in Costa Mesa. We do not have any other adjusters in the San Diego area beside Teri Scolari and, as noted below, you are not interested in meeting with her.

Let me know if any of these other options will work. Again, the adjuster will get in touch with you and schedule an appointment that will work for you. Again, please provide as much time as possible to allow me to contact the appropriate office to get this assigned to an adjuster for contact with you. Thanks.

Michael,

As you are aware, we previously offered you \$1650 based on your St. Joseph Hospital bill of \$823.72. We are unable to do anything further to investigate and evaluate your injury claim without your complete cooperation, which includes securing your statement about the accident, your injuries and all treatment. If you are interested in settling your claim for the amount offered, we will do what we can to coordinate you signing a release and providing a check for the settlement.

We have noted your \$250 million settlement demand, but that is no where near reasonable for a soft tissue injury with the only treatment being an ER visit following the accident. For comparison sake – an accident involving a fatality would not even warrant a \$250 million settlement.

Look forward to hearing from you,

I would, therefore, like to meet with you on Monday 11/13/06 at the Starbucks on Kettner & Broadway in downtown San Diego at 1:00 p.m. sharp.

Please confirm you will be there. If you have any medical bills/records, please make copies so that you can provide those to me at that time.

Thank you for your anticipated cooperation.

I REALLY DO'NT KNOW WHAT THERE IS TO DISCUSS...OR MEET FOR...
AS I SAID, I'M SICK AND TIRED OF THE NONSENSE, AND THE LIES....

THE FOLLOWING IS WHATS HAPPENING RIGHT NOW.....
I CURRENTLY SEE ONE DOCTOR EVERY OTHER TUESDAY RIGHT NOW..
I WAS GOING WEEKLY..

AND THE OTHER DOCTOR, I SEE EVERY TWO WEEKS...

EVERY DOCTOR I HAVE SEEN, INCLUDING THE HOSPITAL DOCTORS.. SAYS I'M LUCKY THAT I AM
NOT DEAD, OR HAD A STROKE, AND THAT I COULD HAVE EASILY BEEN PARALIZED IN SOME SHAPE
OR FORM DUE TO THE STROKE....

IF THINGS DO'NT GET BETTER THERE WILL BE OPERATIONS.....
AND AS OF RIGHT NOW, MY HEALTH IS NOT GETTING BETTER AS THEY THOUGHT IT WOULD..
SO I AM EXPECTING IN THE NEXT COUPLE OF MONTHS IF THINGS DO'NT IMPROVE, THERE WILL BE
SPECIALIST DOCTORS, AND OPERATIONS TO BRING ME BACK TO HEALTH...

I'LL BE DAMMED IF YOU EVER THINK I WILL TAKE A SETTLEMENT, WHEN MY HEALTH IS
TERRIBLE.....AND I NEED MEDICAL TREATMENT.....

I'M 47 YEARS OLD....AND IF I LIVE TO 78 YEARS OLD... 30 MORE YEARS.....I WILL NOT LIVE
WITH PHYSICAL AILMENTS, DUE BECAUSE OF THIS CAR ACCIDENT....
THE BIGGEST PROBLEM RIGHT NOW IS A VERY POSSIBLE STROKE...OR HEART ATTACK...AND I WILL
HAVE TO LIVE THIS WAY FOR THE REST OF MY LIFE... I DO'NT THINK SO.....
SO.....I'M AM DOING EVERYTHING POSSIBLE TO HAVE MY HEALTH BACK TO THE WAY IT
WAS...

THATS IT...

The Man Who Dick Cheney Shot

By MIKE ALLEN/WASHINGTON

Monday, Feb. 13, 2006

Attorney Harry
Whittington
Austin, Tex.
KELLY WEST
STATESMAN

Accidentally shooting a lawyer is never a good idea, especially one who's known for being something of a pistol himself. But Harry M. Whittington, the irascible, 78-year-old attorney from Austin who wound up on the wrong end of the Vice President's quail-hunting gun on Saturday, is a longtime

supporter of President Bush and longtime friends with White House deputy chief of staff Karl Rove, with whom he helped build the once-moribund Texas Republican Party into today's powerhouse. And he is said by friends to be taking his wounds with good humor.

Whittington, a wealthy real-estate investor, is well-known in the Texas capital for a six-year dispute with the city over a downtown block owned by his family that was taken by the city for use as a parking garage. Just two weeks ago, he won his third legal victory in the case, a ruling from the Texas Supreme Court.

A Mr. Fix-It who has taken over troubled state agencies for several governors, including George W. Bush, he is often the first to arrive — by 5:30 or 6 a.m. — in the workout room of the West

Austin club he helped found. After getting both his undergraduate and law degree from University of Texas, Whittington eventually became very active in Texas Republican circles, serving once as the only Republican on the board of the Texas Department of Corrections, now the Texas Board of Criminal Justice, and also doing a stint as chairman of the Texas Public Finance Authority Board. "He's very tough," James R. Huffines, chairman of the Board of Regents of the University of Texas System, and a 25-year friend of Whittington, told TIME. "He's a real tenacious competitor in everything he does. I hate to use this pun, but he really is a straight shooter in all sense of the word, with a real sense of right and wrong for the taxpayers."

The White House did not announce the incident, but confirmed it when the Corpus Christi Caller-Times asked about it more than 12 hours after the 5:30 p.m. Saturday incident. White House Press Secretary Scott McClellan was peppered Monday with questions about that decision. "The very first priority was making sure that Mr. Whittington was getting the medical care he needed," McClellan said. "Secondary to that is gathering the facts so you can provide that information to the public. Those facts were coming back to us throughout the evening and into the morning."

Whittington was listed in stable condition. "He seems in good spirits. He's talking and conversing," said Yvonne Wheeler, a spokeswoman for Christus Spohn Hospital Corpus Christi-Memorial. "His condition is really looking good. They're just taking every precautionary measure. Recovery looks very positive." Added Peter Banko, the hospital's administrator, "He is a true gentleman... I hate to say sweetheart because it makes me sound like a female, but he is wonderful to be around. He is joking with the staff." Whittington was expected to be taken out of intensive care Monday afternoon and moved to a trauma step-down unit in preparation for discharge.

For his part, Cheney visited Whittington in the intensive care unit of the hospital on Sunday night and said through an aide afterward, "I was pleased to see that Harry's doing well. He's in good spirits." The Vice President flew down to Texas on Friday after working at the White House, his office said. He remained there Sunday but did not hunt, his office said, before flying back to Washington on Sunday night. He joined Bush on Monday afternoon during an Oval Office meeting with United Nations Secretary General Kofi Annan, but left before reporters were allowed in for questions; Bush ignored any questions shouted his way about the incident. White House aides can be expected to say that the Vice President did not shoot Whittington, which suggests a bullet, but rather sprayed him with birdshot, a type of ammunition made up of tiny pieces of lead or steel.

It was Whittington who Bush turned to, as Texas governor in 1999, to take over the Texas Funeral Service Commission after the regulatory agency's executive director alleged that she had

Whittington assured the Dallas Morning News at the time that he would keep politics out of the board's work. "There is no Republican or Democratic way to bury anybody," he said. Presiding over his first meeting, Whittington said, "If any agency needs divine guidance, it's this one." The state settled a lawsuit by the former executive director in 2001, and Whittington's term as head ends next year.

Whittington, who donated \$1,000 to Bush's first presidential campaign and \$2,000 to his reelection, is married to Merce Whittington, who also has been active in Republican politics; they have several children, including two daughters who still live in Austin. In a profile of Whittington last year, the Austin American-Statesman described him as being old-fashioned enough that he did not have a computer or bill by the hour. Luckily for Dick Cheney, that seems to extend to his being able to laugh off being accidentally shot at by the Vice President. For a lawyer, even a Republican, that's no easy feat.

"He's classy and charming and an outdoorsman -- the logical choice," said Gaylord Armstrong, an Austin lobbyist who has known Whittington for decades. "A gracious guy -- and handsome."

I heard there was some woman overseas who got a face transplant. Anybody know how that works? After Dick shot his wad of pellets in my face, I feel dirty.

Have you ever been in a situation

where somebody you thought was your friend did something that hurt you very much, and then they tried to blame it on you? And then that person waited 18 hours to report it to the media, and that person's colleagues tried to make a joke out of it, until you had a heart attack? Just wondering.

One of the worst days of *your* life?

I can relate to that, Dick. But when we were hunting together, you said that the day that Libby told Fitzgerald that you had authorized him to leak classified information about Valerie Plame was one of the worst days of your life. Maybe they were both worst days.

One other thing:

When asked if their patient would be tuning in to the vice president's first on-air interview about the shooting, Banko said, "There is no television in his room at this point in time."

When I found out you were going to be on the TV, I had it removed.

And please STOP SENDING ME PRESS RELEASES IN THE THIRD PERSON.

If had to do it all over again, I don't know if I would have been such a big fundraiser for Republicans. In fact, I might have raised some money for the Democrats. Am I better off now than I was under Clinton? I'd have to say the answer is no.

Michael,

We are unable to authorize doctor's visits or direct your treatment in any form or fashion. You will need to pursue the treatment you and your

doctor's feel is necessary and when you are ready to settle the claim, we will review all of the medical records and bills to determine if your

treatment was reasonable and necessary based on the accident and the injuries claimed.

Along the lines that we are unable to authorize treatment, we are unable

to pay any treatment bills as they are incurred. No payments will be made until the time that a final release is signed by you and a lump sum settlement payment is made.

Please send me a list with the names, addresses and phone numbers of all doctors or facilities you have been to with regards to the accident so I

can document the file. Which doctor will you be seeing until June and can you tell me how he arrived at that time frame?

Thanks,

HELLO SHERO CHAPA

YOU WANT TO KNOW HOW I ARRIVED AT THAT TIME FRAME OF SEEING 2 DOCTORS UNTIL JUNE OF THIS YEAR...

THE REASON BEING I AM LEAVING THE SAN DIEGO AREA..

BUT---- I WILL BE GOING TO OTHER DOCTORS TO WHERE I AM HEADING, AND THEY WILL BE LEANING MY CLAIM FOR MEDICAL PAYMENT THROUGH AMICA INSURANCE....

THIS IS UTTERLY A DISPICKABLE SITUATION I AM IN...AMICA INSURANCE WILL NOT PAY ANY DOCTORS UNTIL I SETTLE WITH THE INSURANCE COMPANY....

I DID NOT CAUSE THIS ACCIDENT, AND DOCTORS HAVE TO WAIT TO GET PAID BECAUSE YOU WO'NT PAY THEM UNTIL SETTLEMENT...THE NONSENSE JUST CONTINUES...

I WILL SEE IF THIS DOCTOR WILL SEE ME WITH THE KNOWLEDGE OF THEM HAVING TO LIEN THE INSURANCE COMPANY CLAIM.....FOR MYSELF

THANK YOU

Re: *Your potential case*

Dear Mr. Fox:

Enclosed please find the documents which you sent to our office to review your case which I am returning to the address you requested. Unfortunately, because our caseload is already full, it would be difficult – if not impossible – to give your case the time and attention it deserves for effective legal representation. Though I thank you for submitting this to my attention, I must respectfully decline representation of you in this case. I wish you the best of luck in the future.

Regards,

Jeremy F. Rosenthal

Dear Mr. Fox:

Thank you for the opportunity to review your case. Based upon our review, we are unable to assist you with this matter.

Please understand that although we have decided not to pursue any further legal action in this matter on your behalf, this should not be considered a representation of the factual or legal validity of your claim. Furthermore, do not construe this as a representation to you as to the likelihood of a recovery or non-recovery of your claim.

YOUR LEGAL RIGHT TO PURSUE THIS ACTION IS CRITICALLY AFFECTED BY TIME LIMITS. IF YOU WISH TO PURSUE THIS MATTER FURTHER, IMMEDIATELY OBTAIN OTHER LEGAL REPRESENTATION. DELAY ON YOUR PART IN OBTAINING OTHER LEGAL REPRESENTATION CAN PREVENT YOU FROM ENFORCING YOUR LEGAL RIGHTS.

To secure other counsel, you may contact any lawyer of your choice, or the Bar Association's Lawyer Referral Service, which will refer you to competent attorneys who may be willing to handle your case. If you secure other counsel, please let us know the names of the attorneys, and we will forward your file to them.

We regret that we could not be of further assistance to you on this matter, and we thank you for having given us the opportunity to review this case with you. **Please take immediate steps to obtain a lawyer if you wish to continue in this lawsuit.**

Very truly yours,

MR JAMES ZEBRA

I WILL NOT ALLOW YOUR AMICA INSURANCE TO INTERVINE WITH ANY DOCTORS I AM SEEING..

I HAVE SENT EMAILS TO RICHARD PARMELEE IN REGARDS TO THIS..

SO I AM NOT GOING TO ALLOW YOU..

I BELIEVE EVERY EMAIL THAT WAS SENT TO ME FROM RICHARD PARMELEE, WAS ALSO FOWARDED TO YOU ALSO...

I AM CURRENTY SEEING 5 DIFFERENT DOCTORS FOR TREATMENT, AND I AM TRYING TO GET WRITTEN FACTS TO MY INJURIES AND WHAT THE LONG TERM EFFECTS WILL BE ON INJURIES FROM THIS ACCIDENT.....

WHEN I GET EVERYTHING TOGETHER, I WILL MEET WITH RICHARD PARMELEE TO GO OVER ALL OF THE TREATMENT AND DOCTOR REPORTS....

I ALSO STATED THIS TO RICHARD PARMELEE.....

WHAT I FIND TO BE QUITE IRONIC IS THAT I HAVE 2 WORKERS COMP CLAIMS, AND ITS THE SAME THING WITH THE WORKERS COPMP AJUSTERS, I HAVE GONE THROUGH 5 AJUSTERS, AND ALL THIS INSURANCE COMPANY WANTS TO DO IS SETTLE THE CLAIM....

NOW ITS THE SAME THING WITH AMICA INSURAANCE, DIFFERENT AJUSTERS BEING ASSIGNED THE CASE....

ITS THE SAME THING THAT I HAVE STATED TO WORKS COMP AND TO YOUR DIFFERENT AJUSTERS..

I WILL SETTLE NO CLAIM UNTIL MY HEALTH IS FIXED.

ALONG WITH DOCTOR REPORTS OF THE LIFE TIME TREATMENT THAT WILL BE NEEDED, THAT AGAIN WILL BE DOCUMENTED BY DOCTOR REPORTS....

THANK YOU
MICHAEL FOX
